

the industry standard

# BRAIDED EXTRA HEAVY DUTY EXTENSION CORDS

15 Amp Cable with 10 or 15 Amp Plug and Socket

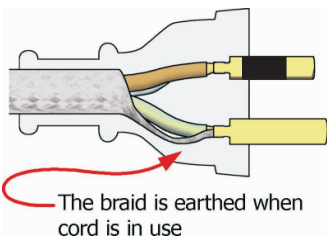

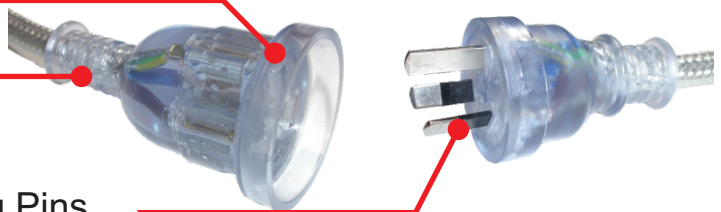

*Also available with 20 Amp Plug and Socket*

**Recommended For:**  
**Building, Industrial Construction & Mining**

Safety Shroud

Heavy Duty Strain Relief

Insulated Active and Neutral Plug Pins

The braid is earthed when cord is in use

The earthed braid is a safety feature recommended for applications where OH&S "DUTY OF CARE" is essential. The tinned copper braid also offers extra strength and protection.
